8		Rest	Fatlek run (6-8 miles)	Swim session (50 mins)	Sprint session	Stretching session	Rest	Aerobic run (10 miles)	

- Ensure you warm up prior and cool down after each session, specific to each activity.
- Always hydrate and rehydrate before, during and after each session.
- The above programme is generic and progressive geared towards Civilians entering the Paras' 10.
- The rest periods can be pushed left or right to suit availability.
