## Dear PARAS'10 COLCHESTER entrant

Welcome, on behalf of **SUPPORT OUR PARAS** and the 3<sup>rd</sup> Battalion The Parachute Regiment, to the **2022 PARAS'10 COLCHESTER** on **Saturday 14 May**. This year marks the 10<sup>th</sup> LIVE event in Colchester and we're delighted to have you join us. Please read this letter carefully before printing to bring it on the day, as you will need to show it to park.

### SECURITY NOTE

PARAS'10 is a military charity event. Please bring photo ID (Passport/ Driving Licence/ MOD90) with you to collect your race pack. In the interests of safety and security, baggages may be subject to a speculative search and must never be left unattended, either on the course or in the PARAS'10 village. Our security stewards and Police are spread along the entire route and check-in area, so you don't have to go looking for information. They are there to help you so don't be surprised if they say hello if you look lost! If a steward tells you to stop on the course, please comply and await orders – do NOT keep running.

### COVID-19

Although Government guidelines mean we can now hold the PARAS'10, we know that COVID has not gone and the health and safety of our entrants is of utmost importance. Please be mindful of others at all times during the day.

### PLEASE MONITOR SOCIAL MEDIA IN CASE OF HEATWAVES OR SECURITY ALERTS

If high temperature/humidity is threatened we may start the race early. Updates before the day will be posted on our social media channels: Facebook and Twitter [@ThePARAS10](https://www.facebook.com/ThePARAS10) and Instagram [@the\\_paras10](https://www.instagram.com/the_paras10)

### Car Park

This can be accessed via the dropped curb at the loop, marked at **point A** on the map below. For Satnav use **CO2 7NZ** for Abbey Field. Please look out for the uniformed marshals who will help you onto the field and direct you to the race village. Parking will open at 0800hrs. Allow good time for your journey (the A12 in particular) and take note of the weather. There is no baggage store at the event so please lock unwanted bags in your vehicle (at your own risk) and walk to check-in. **PARAS'10 cannot accept responsibility for the safety of items in your vehicle.**

### Check-In

**Please Check-In no later than 1000hrs** - earlier is better to avoid any rush and reduce queues. Go to the marked collection line for your surname initial (A-D etc.), give your name and show your photo ID and you will be given your number and timing chip. **All entrants must collect their own packs in person; you will not be able to collect someone else's on their behalf.**

Any changes to your entry, whether that is changing category (TAB/RUN) or transferring your entry into someone else's name, **MUST** be done at check-in to ensure we have accurate details of who is out on the course. Any entrant found to be running under a different name may be penalised.

Safety pins are available at Check-In for your number, in return for a Charity donation. **Emergency contact details and any medical conditions** need to be completed on the reverse of your race number **BEFORE** the race. If you suffer from a medical condition that requires special attention (for example epilepsy, diabetes or you have a history of heart problems), you should mark a large X in black felt tip on the front of your race number. Pens and felt tips will be provided, but please allow time to complete this.

The timing chip has instructions on how to attach it to your shoe or boot using the ties provided. **DO NOT** attach the chip using your laces and **DO NOT** carry it in a pocket – it will not work. Please attach your chip securely on the lower part of your foot – the course is muddy and if you lose your chip, your time cannot be recorded. At the Finish, your chip will be clipped off your shoe; **DO NOT** take it away.

**If you have entered the TAB, but want to RUN (trainers, no bergen) for reasons of injury, fitness etc. you MUST inform Registration, so you are not wrongly entered on the timing system.** Those entered in the TAB must also factor in time for their bergen to be weighed. Your **PARAS'10 PASSPORT** can be stamped at the SUPPORT OUR PARAS tent; new ones are also available here for a £1 donation.

There will be toilets, (but no showers), concessions and merchandise stands on the field. There are no ATMs on site so please bring cash for all purchases, in case signal is not good for card-readers. All supporters are welcome at the Start/Finish but NO spectators will be allowed into Merville Barracks itself.

Entries can be made online at [paras10.com](http://paras10.com) until NOON Thursday 12 May.  
**All entries on the day will be £45 CASH ONLY.**

All competitors MUST be at the Start by 1030hrs latest for a vital **Race Briefing** and warm-up. The world-famous Red Devils Army Parachute Display Team will also be jumping in before the race (weather dependent).

### The Race and Finish

The PARAS'10 RUN and Canicross will start at 1100hrs; ALL runners with dogs (run or TAB) must please make your way to the front of the pack. The TAB will start 5 minutes later. Much of the course is on military land - there is no chance to run the whole route prior to 14 May so please DO NOT TRY.

**There will be water stops on the route and at the finish; you are also advised to carry your own water/sports drink.** NB: This should NOT be part of your 35lb weight. There will be water available for dogs as well.

**This year the course will be slightly different again,** so if you are a returning entrant do not rely on memory. Please pay attention to the marshals and course markings on your way round to ensure you don't get lost.

Bergens will be weighed again at the end – do NOT shed weight on the course. Boots, long trousers and bergens are mandatory for the TAB. Trainers and shorts are not allowed: it's a challenge not a cheat. Please do NOT dump weight at the Finish or leave it for soldiers to clear up. Dispose of litter in bins and take bergen contents home with you.

### Finish Line

Medals will be available at the finish line, individually bagged, for you to take as you cross the line, along with a finisher's t-shirt. Please allow your chip to be clipped off before collecting a medal and t-shirt. Make sure you get the right size!
